

# L150 Tack Tank

**LeeBoy**

## Performance Features:

The 150 Tack Distributor ideally serves the paving contractor dedicated to smaller projects. With a conservative 150 gallon capacity tank, this solution still contains many of the features and functionality of the larger units. Inclusive of a powerful Honda engine, the user-friendly design can either be trailer or skid mounted. Multiple additional options including remote in-cab controls or overnight heating can further enhance the end user's experience.
